

Parent/Guardian Support Form

We're certain you have some hidden talent or skill that you can share with Rising Stars students. We need your help because student theatre is a family event. Your student will appreciate your involvement, and you will gain a real appreciation of how much hard work your student puts into his or her performance. We offer the student theatre program at Old Town Theatre Free of charge, and your help is greatly appreciated. Please check all the committees where you are willing to help out, and consider chairing a committee if you can. We will get back to you to let you know what we need and how you can help.

Production
